Pediatric Otolaryngologist

Description

We are seeking a BC/BE Pediatric Otolaryngologist for our busy practice in Atlanta. The candidate must be comfortable performing all aspects of Pediatric ENT including airway procedures. Our practice has a well-established affiliation with a large, freestanding, tertiary care pediatric hospital including in-house pediatric hospitalists, intensivists, neonatologists, and anesthesiologists.

The position offers the opportunity to work in a collaborative and supportive environment with a team of 7 fellowship-trained pediatric otolaryngologists and 12 advanced practice providers as well as a robust in-house pediatric audiology department. We have a large referral base with 8 clinic locations in the metropolitan area. Otolaryngology call does not include trauma. This position is open to an otolaryngologist who is preferably fellowship-trained in pediatric otolaryngology, but a general otolaryngologist with a strong background in pediatric otolaryngology who has restricted their practice to pediatric ENT may be considered.

Atlanta is the capital of Georgia and is the ninth-largest metropolitan area in the nation. It is situated in the foothills of the Appalachian Mountains and offers an abundance of outdoor activities amidst a temperate four-season climate. The city offers an abundance of entertainment, cultural, and culinary experiences at a reasonable cost of living. It has a dynamic and diverse economy with the nation's third-largest concentration of Fortune 500 companies and is a center for film and television production. It is home to a rapidly growing population and the world's busiest airport.

We offer a competitive base salary with bonus opportunities based on productivity, as well as comprehensive benefits including malpractice coverage, vacation/holidays, and CME. Opportunity for surgery center ownership with dividend payments. Interested candidates should contact Ebony Philpot at 404-255-2033 or send your CV via this post.
