## PENTA AUDIOLOGY

The Audiologists at Pediatric Ear, Nose & Throat of Atlanta, P.C. (PENTA), are dedicated to the prevention, diagnosis, and treatment of hearing disorders and hearing loss.

Our licensed, doctorate-level Pediatric Audiologists provide comprehensive audiometric testing tailored to the needs and capabilities of every child from birth to 18 years of age.

We offer state-of-the-art audiometry, tympanometry, auditory brainstem response testing (ABR), otoacoustic emissions testing (OAE), and resources for a second tester.

We provide services for conventional hearing aids, cochlear implants, bone conduction devices, and FM systems.

Referrals are not required, but are usually provided by hospital and community pediatricians, general practitioners, school nurses, speech language pathologists, and teachers.

# A GUIDE TO PEDIATRIC AUDIOLOGY SERVICES

## PENTA

PEDIATRIC EAR, NOSE & THROAT OF ATLANTA, P.C.

Putting Your Child First

# PEDIATRIC AUDIOLOGY SPECIALISTS

Providing personalized, professional care to address your child's hearing needs.

## **Audiological Evaluations:**

We offer a full complement of behavioral audiometry to determine hearing sensitivity. We also provide newborn hearing screening follow-up appointments.

## **Unsedated Auditory Brainstem Response (ABR) Testing:**

We provide natural sleep, unsedated ABR testing in our office using state-of-the-art technologies. In some cases, sedated ABR testing may be prescribed by the doctor.

## **Hearing Aid Fitting and Follow-up:**

Once hearing loss is properly diagnosed, children are fitted with the appropriate amplification device as soon as possible, often as young as eight weeks of age. PENTA offers fitting and follow-up appointments for conventional hearing aids, bone conduction devices, and FM systems.

## **Pediatric Cochlear Implants:**

Comprehensive support of children with severe to profound hearing loss is provided using a multi-disciplinary approach involving our Audiologists, ENT Physicians, and Auditory Verbal therapists.

To ensure that patients are matched with the best cochlear implant, we work directly with equipment representatives at Advanced Bionics, Cochlear Americas, and Med-El.

## **Swim Plugs and Musician Ear Plugs:**

We offer custom-fitted swim plug and musician ear plug options to fit every child's active lifestyle.
